- 1. I am a partner with the firm of Orrick, Herrington & Sutcliffe, LLP, counsel of record for defendants International Game Technology and IGT (collectively "IGT"). I make this declaration in support of Defendants' Motion to Compel and for Sanctions. I make this declaration of my own personal knowledge and, if called as a witness, I could and would testify competently to the truth of the matters set forth herein.
- 2. On April 27, 2007, IGT took the 30(b)(6) deposition of Aristocrat Technologies Australia Pty Ltd. and Aristocrat Technologies, Inc. (collectively "Aristocrat"). I attended that deposition.
- 3. Throughout the deposition, Mr. Robert Blanch, counsel for Aristocrat repeatedly instructed the witness not to answer and made an enormous number of objections.
- 4. On May 2, 2007, I attended a telephonic meet and confer with Mr. Arturo Sandoval, counsel for Aristocrat, in which IGT attempted to resolve the issues raised by the instant motion.
- 5. During the meet and confer, Mr. Sandoval indicated that Aristocrat's deposition strategy of objections and instructions not to answer were intended to set up a motion for protective order, to be filed by Aristocrat at some point in the future. This confirmed statements to the same effect made to me by Mr. Blanch during the deposition on April 27, 2007.

I declare the foregoing is true and correct under penalty of perjury under the laws of the United States of America.

Executed on May 4, 2007 in Menlo Park, California.
